Former IBEW Local 1600 Prescient Lester Ettl has donated a “IBEW” union made watch to the local.

Local 1600 will be giving this watch away to a member who attends the June or July local unit meeting.

All members attending will have their name entered in a raffle and a winner will be selected at the August E-Board meeting. Attend both meetings and you can have two entries.

Attend your local unit meeting. Local unit meeting dates are listed in the newsletter and on the ibew1600.org homepage.
